

Dear Duke Community,

My thanks to those of you who have read and submitted your comments on the framing document that outlines the broad goals of the strategic plan. We received thoughtful feedback that is now in the hands of the Strategic Planning Steering Committee to review and incorporate as appropriate. The committee will be forming working groups to begin writing the first draft of the plan, which we anticipate will be ready for internal review in fall, 2016, and then presented to the Board of Trustees for approval in February, 2017.

I remain grateful to the [Strategic Planning Steering Committee](#) for their continued hard work on this important project and to all of you who have participated in the process.

With best regards.

Sally Kornbluth
